Includes Affiliated Alternative Investment Vehicles and excludes blocker entities. Limited Partner amounts exclude tax provisions and expenses related to their participation in certain investments made through blocker entities, if applicable. Totals may not sum due to rounding. The foregoing account statement is unaudited. The results reflected in the above statement are not necessarily indicative of the results to be expected for future periods or for the full fiscal year. Your investment is illiquid, and you may not realize the estimated value of your investment when you attempt to dispose of your investment. Prior performance is not necessarily indicative of future results. There is no assurance that the Fund will achieve its objectives or avoid substantial losses. Gross IRR represents the compound annual rate of return based on actual Fund cash flows and valuations at quarter-end, before management fees, servicing fees (if any) and the general partner's allocation of profits but after expenses withheld from distributions. Net IRR represents the compound annual rate of return based on actual Limited Partner(s) cash flows and valuations at quarter-end, after management fees, servicing fees (if any), expenses and the general partner's allocation of profits.
