The information contained herein has not been audited and therefore remains subject to change. Substantially all of the unrealized assets of the Partnership comprise illiquid securities for which there is not a ready market. The Partnership's carrying value for such securities is an estimate of the fair market value of such securities determined as described in the Partnership's Agreement of Limited Partnership and Confidential Offering Memorandum. Such values do not necessarily reflect the value that will be realized upon sale or redemption of such securities. This statement is provided for your information and convenience and does not alter your rights and obligations as provided in the Partnership's Agreement of Limited Partnership and other definitive documents. Amounts set forth in this statement may be rounded for ease of presentation.
