Note: These figures are estimated and unaudited and should not be used for tax purposes. Figures may not add due to rounding.

¹ Includes distributions in both cash and stock, where applicable.

² The beginning balance as of January 1, 2021 is equivalent to the audited ending balance as of December 31, 2020. This figure is referenced on each investor's statement of partner's capital included on the last page of the December 2020 audited financial statements.

³ This figure may differ from the distribution values referenced on share distribution notices due to a difference in presentation and rounding of partial shares. Please refer to the respective distribution notice(s) for further detail on the calculation of the values included therein. The value of any partial shares will be trued up in a future cash distribution and will be reflected on the respective distribution notice.

⁴ The incentive allocation after hypothetical liquidation was calculated assuming the liquidation of all portfolio investments at September 30, 2021.
