- (1) Date of earliest close in which the Limited Partner participated. This date may vary from the actual closing date for certain Limited Partners.
- (2) Other Commitment Transactions generally represent non-recurring activity, such as fees and/or expenses paid outside of a fund commitment.
- (3) Classification of income for the period may differ for federal and state income tax purposes, as applicable.
- (4) Contributions may include deemed contributions, or contributions made by the Limited Partner outside of its commitment, as permitted by the Fund's governing documents. Distributions may include deemed distributions, such as the withholding of cash for tax payments or blocker expenses directed by the General Partner on behalf of the Limited Partner.
- (5) Incentive distributions to the General Partner may include tax-related distributions.
- (6) Unrealized gains and losses are calculated using investment valuation procedures in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). For more detail, please refer to footnote 2 of the most recent financial statements.
- (7) Expenses includes legal, accounting, tax and other professional fees, consulting fees, credit facility fees, interest expense, custody fees and other expenses paid by the Fund. Expenses does not include blocker expenses, expenses paid by portfolio companies and expenses capitalized in the cost of investments.
- (8) Management Fee Offsets may include advisory, director and certain other fees received by the Investment Manager, General Partner and their respective affiliates in connection with the Fund's investments and placement fees paid by the Fund. Due to a change in presentation of Management Fee Offsets, inception-to-date figures shown may vary from actual figures. For periods prior to the change in the presentation, Management Fee Offsets are netted with Income.
- (9) Performance measurement begins on the date of the Fund's first capital drawdown and reflects performance of the Fund as a whole, which may differ from the returns received by the Limited Partner.
- (10) Reflects returns and multiples of the partnership.
- (11) Time-weighted returns are not presented if remaining assets are less than 5% of committed capital as they are no longer relevant.
- (12) Reflects returns and multiples of the limited partners.
- (13) Calculated as  $(\text{Net Asset Value} + \text{Distributions}) \div \text{Contributions}$ ; also referred to as Investment Multiple.
- (14) Calculated as  $\text{Distributions} \div \text{Paid-In Capital}$ ; also referred to as Realization Multiple. Reported only for funds that are no longer in their investment period.
- (15) The unfunded commitment was reduced to 2% of the original commitment amount as of February 23, 2021.
