⁽¹⁾ For transferred Partnership Interests, the amounts in the LP Commitment Summary represent a cumulative summary of the Commitment from inception. However, capital statement activity represents quarter to date and year to date amounts since the date of transfer.

 $^{^{(2)}\} On\ January\ 1,2010, the\ Partnership's\ aggregate\ original\ capital\ commitments\ were\ reduced\ by\ \$1,000,000,000.$

⁽³⁾ The last day of the Commitment Period was April 5, 2013. After this date, pursuant to Sections 3.1(c), (d) and (e) of the Partnership Agreement, contributions will be made to fund: (i) existing commitments to make investments which were in process as of April 5, 2013, (ii) Partnership Expenses, (iii) follow-on investments (with such follow-on investments not to exceed 20% of the aggregate Commitments) and (iv) the portion of any investment that has been recouped within eighteen months of the investment date and is deemed to be a Bridge Financing. The amount provided above is subject to change as additional bridge financings occur or as additional expenses are incurred and is limited to the extent of current distributions.

⁽⁴⁾ For purposes of determining an increase in recallable capital; there are \$3,054 of charges incurred on investments previously sold or written off which are included above in net realized gain (loss) on investments for the three months ended September 30, 2021.

⁽⁵⁾ Management Fee after application of waiver and/or offset.
